

Bottle Cap Flower

Bring the beauty of spring inside with these flower prints. See what you'll need below.

Supplies:

- Remove bottle cap from Juicy Juice bottle (feel free to use more than one)
- Kid-safe paints
- Paper

Instructions:

1. Unscrew the Juicy Juice bottle cap and dip into paint.
2. Stamp the bottle cap onto paper, pressing down firm and gently to make the flower core.
3. Now dip your thumbs into the paint and press down around your flower core.
4. Make sure to clean your fingers in between changing paint colors to keep paint from mixing.
5. Using your pointer fingers, draw a stem to complete your flower.
6. Clean up any messy paint and let your art dry, then hang up.

Time:

20 minutes
